OVER 1000 MOULDING PROFILES IN STOCK

Garden State Lumber Products stocks over 1,000 moulding profiles in several different substrates and species of wood, including primed FJ pine, primed ultralite MDF, solid ponderosa pine, PVC, etc. We have created our own unique profiles and collections which include the Metro Collection, the Designer Collection, the Estate Series, the Prestige Line, and the Hardwoods Collection. These collections offer an expansive variety of design detail and flexibility. You can find all of our mouldings in our Full line moulding catalog and online at our website www.GardenStateLumber.com. There you will also find tools to inspire and help your customers find just the right moulding design detail for their project.

GARDEN STATE LUMBER PRODUCTS CORP.

THE METRO

COLLECTION

TIMELESSLY MODERN MOULDINGS

The **METRO COLLECTION** was comprised with a focus on simple sophistication for a modern world. With an emphasis on straight line detail, beveled corners, symmetrical grooves and sweeping curves, our profiles can be mixed and matched to achieve an endless array of design detail. Manufactured from the highest-quality finger joint Radiata pine substrate and coated with our new proprietary 3-coat bright white primer, The **METRO COLLECTION** is the next step into a new world of moulding design. Select Metro Collection profiles now stocked in White Oak!

GARDEN STATE LUMBER PRODUCTS CORP.

The
DESIGNER
COLLECTION
PRIMED POPLAR MOULDINGS

There is a crossroads where sophistication of moulding design intersects with the highest-quality material and millwork craftsmanship. It is in this space that The **DESIGNER COLLECTION** was born... The **DESIGNER COLLECTION** is a compilation of 24 distinct profiles that are as substantial in size as they are in the design possibilities they offer. Comprised of the highest grade FJ poplar substrate and coated with our proprietary 4 step priming system, The **DESIGNER COLLECTION** is meticulously manufactured to be the highest-quality moulding product available in the market today.

GARDEN STATE LUMBER PRODUCTS CORP.

The
ESTATE
S E R I E S

THE ESTATE SERIES is a unique collection of our most sought after and architecturally specified primed FJ pine profiles. By combining traditional style that has withstood the test of time with our own blend of newer, more modern design detail, we have created a grouping that can easily excite the imagination of the most discerning architectural eye.

GARDEN STATE LUMBER PRODUCTS CORP.

the Prestige Line

ULTRA LITE MDF MOULDINGS

THE PRESTIGE LINE is our elegant offering of primed MDF profiles. With a wide range of both style and size, The Prestige Line is sure to enhance the decor of any home. Our Smooth gesso coat primer applied to the industry's highest-quality ultralite MDF substrate result in sharp millwork detail with an ideal surface for finish painting.
